MESSAGE FROM THE HEAD

Welcome back to the start of the summer term. The children all seem to have grown a little over their Easter holiday. The pupils in Years One and Two were most excited to discover that mysterious events seem to have been happening in their classrooms over the break with tables over turned, large footprints left on the carpet and strange eggs turning up. Year One have written some very persuasive pieces of writing to me and I have decided to allow them to keep the eggs in order to see what might happen next...watch this space for details.

Over the Easter holiday, the workmen were busy working in four of the classrooms to replace the 1960's ceilings and to install LED lighting. There has been a much improved feel to these rooms as a result. Additionally, we have taken delivery of our new picnic tables today. They are extremely substantial and will be most useful in the warmer weather as the older children eat their lunches outside. Thank you to "Helping Hands" in the village for purchasing one of these, the others were bought using our school fund which is generated by the modest commissions that we receive from selling school uniform and photographs.
