MESSAGE FROM THE HEAD

This week has seen a great deal of sporting success for our various teams. Our netball team completed an undefeated run by beating Maidensbridge in their final group game. As such, they have won their league. On Thursday, our tag rugby team took part in the Dudley finals at Stourbridge Rugby Club. After a couple of narrow victories they were crowned as the winners of the tournament and will go on to represent Dudley in the Black Country Games later on in the year. Well done to all concerned.

On a rather different note, I am sure that you are concerned about the impact of coronavirus on the school. We continue to follow the advice of the Public Health Department and are currently considering how we will set work for the children to do in the event of schools being required to shut. Until then we will be encouraging good hygiene through hand washing and being vigilant for symptoms. If you have any concerns about whether your child should be in school, please ring 111 in the first instance.

MENUS

The menu for next week is week 1.

YEAR 6

Although the end of the year is some way off yet, we would like to let parents know of the arrangements for Year 6 so they are fully prepared for the events their children will be involved in during their final term.

SATS take place during the week commencing Monday 11th May. Even after these tests have taken place, teacher assessments are still ongoing so we advise parents not to take their child out of school for a holiday during this time.

After SATS, Year 6 children will also be preparing for their performance in the end of year production which you will be invited to watch during the last week of term.

Also in the last week of term Year 6 will have their Leavers' Party and you will be invited to join them at their Leavers' Service in church on the last day of term.

This year the school are also looking to source Leavers' Hoodies for the Year 6 children for you to purchase—more information will follow when we have it.

We have always found that our Year 6 enjoy being involved in these traditional events as they prepare to leave us and move on to secondary school and we hope you enjoy them too!
