MESSAGE FROM THE HEAD

The school has been a hive of activity with our annual Good Health Week in full swing. The children have participated in a wide range of learning and we have welcomed scores of visitors through our doors. Years 3 & 5 took part in Bikeability activities and thankfully the weather stayed mostly dry - though Mrs Walley is still defrosting! We've had the Fire Service in to talk about what to do in the event of a fire, road safety have shown how to be safe amongst traffic and we've explored healthy eating, the effects of drugs and alcohol and done lots of activity to get the heart rate going.

Today, we celebrated the culmination of Good Health Week with our second annual dance festival. The children enjoyed the opportunity to showcase the work that they have been doing in the Sports Premium funded dance sessions. I know that many parents and grandparents were entertained and fascinated by how high the standard was. A huge thank you to everyone who has helped to make this week a big success. When I speak to former pupils, they often identify this week as one of the highlights of their time at Church of the Ascension.

MENUS

The menu for the week after half term is week 1.

SAFER INTERNET DAY

This week, as part of Good Health week, we have been talking about a safer internet along a 'Free To Be Me' theme.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers and wider, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in school and we'd be delighted if you could continue the conversation at home. To help you with this you may be interested in downloading the free Safer Internet Day resource pack for parents and carers which is available here: saferinternet.org.uk/sid-parents There are also top tips, a quiz and films which you can use at home with your child.

Some other resources which you may find helpful in supporting your child online are:

Advice for parents and carers from Childnet

Tips, advice and guides for parents and carers from the UK Safer Internet Centre

Guides on popular apps and games from NetAware

Reviews and information about games, apps, TV shows and websites from Common Sense Media

Help on using parental controls and privacy settings from Internet Matters

Information and reporting of online grooming or abuse from CEOP

OSCAR CLUB

We are hoping to run a holiday club in the Easter holiday for 8 days. If you are interested please let Jacqui Davies (OSCAR Manager) know or phone 07398 083418.

WORLD BOOK DAY

Thursday 5th March

This year our focus is on 'Authors' and each class will be listening to stories from a particular author.

To celebrate World Book Day we would like children to dress ready to listen to their 'bedtime story' so they may wear pyjamas/nightshirts and dressing gowns to school on that day and bring slippers to change into!

We hope they will enjoy the work of different authors and maybe even find a new author to love!

KEY STAGE 1 ASSESSMENT EVENING

Reminder

Wednesday 26th February 6.30pm

Parents of children in Year 2 are invited to school to learn about how their children will be assessed at the end of Key Stage 1.

If your child is in Year 2 they will have brought a letter home last week.

AFTER SCHOOL ACTIVITIES

The following activities are taking place after school after half term:
