MESSAGE FROM THE HEAD

On Saturday last week, the Church of the Ascension entered two teams in the Dudley Schools' Cross Country Race. Well done to all the boys and girls who battled across the mud at Baggeridge. A special well done to Sophie Brookes in Y6 who won the girls' race and was crowned as Dudley champion. To all those responsible for washing the kit..... sorry!

Our Tag Rugby teams competed in the Dudley finals on Wednesday with a superb effort resulting in a narrow defeat in the semi-finals.

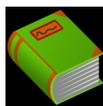

On a less pleasant note, I have been approached once again by one of our neighbours complaining about the extremely poor standard of parking around the school. She was trapped on her driveway by one of our parents and was unable to get out to collect her own child from school. She has taken photographs of the offending vehicle and the police have been informed. Additionally, some parents have taken to parking their cars totally on the pavement outside the nursery next door. This means that our children and their siblings in pushchairs are having to walk in the road to get round them. We have requested that the camera car attends in order to evidence the illegal parking so that fines can be issued. Please assist us in trying to keep all of our children safe.

CHARITY WEEK

We are still collecting donations for charity week. So far we have raised just over £600 and if you would like to make a contribution to boost our donations to the two worthwhile charities, please send in before Tuesday 20th March. Many thanks.

MARATHON FUNDRAISING

On Sunday 22nd April one of our very own mums, Isobel Monaghan, is running the Virgin London Marathon in aid of our school & HSA in support of "Raise The Roof".

Isobel has 3 children in KS1, twins in Reception and a son in Year 2. We are so proud that she has chosen our charity to raise money for as she puts herself through the 26.2 miles of VLM and the hours of training beforehand.

"Running London is a huge opportunity to raise money for charity and there is nothing closer to my heart right now than helping support the school that looks after my children so well, recognising them as individuals and addressing their different learning needs."

Please help us support Isobel in her challenge and help her to raise as much money as we can for a new canopy for our Foundation and KS1 children. You can donate to Isobel using the following link:
