## MESSAGE FROM THE HEAD

And so we reach the end of another busy half term. Today, as is the tradition at our school, the children were celebrating Ascension Day with a demonstration of the wide talents that they possess. Although a few were a little reticent with regards to talking to an audience, most children excitedly embraced the opportunity to discussing aspects of their lives that are not covered by the usual routines of school. Unfortunately the wet weather meant that the celebration planned on the field had to be postponed.

This week was another busy sporting week. Our Y5 cricket team finished as runners up in the Dudley Schools' final. This result qualifies them to play in the Worcestershire Schools Finals which will be held at New Road Worcester later on this term. Our Y5 football team played their Dudley Schools' cup semi-final this week but were unsuccessful on this occasion. Our girls' team kicked off their league this week with a win. Well done to all who took part and thank you to Mr Bradley for organising all of these fixtures.

## MENUS

The menu for the week after half term is week 1.

\*\*\*

## SOCIAL MEDIA

Recently we've had a few incidents of pupils being unkind to each other over social media. Could we take this opportunity to suggest that it's a good idea to monitor the groups your child is in. This is an excellent way of helping our children stay safe online. Thank you.

## SANDALS

With the warm weather we're experiencing a rise of girls arriving in school wearing sandals without socks. Could we please request that socks are worn as part of the uniform. We have had a couple of incidents where toes are getting scraped when the girls are going about their regular lunchtime activities. Thanks for your assistance on this.

## SCIENCE WEEK

We will be holding a 'Science Week' beginning Monday 11th June. During this week the children will be involved in lots of experiments and will hopefully have plenty of scientific 'wow' moments. If possible, all children should come to school dressed as a 'mad professor/scientist' on Monday 11th June to start our week off with a bang!

Costume suggestions:-  
Old large white shirts for lab coats  
Wacky hair  
Safety glasses or silly large glasses, rubber gloves etc.  
We would like the children to leave their 'lab coats' in school to use during this week's experiments so please make sure they are named. Please do not feel you need to buy anything new!
