## MESSAGE FROM THE HEAD

It was lovely to see the children returning to school on Tuesday after their half term break. I hope that the holiday was an enjoyable time for you all.

The children are working hard and we are already starting to think about our Christmas events (I know!). However, the main thing about this week were our reflections upon Remembrance Day. We held a time of silence in the classrooms today and thought about the sacrifices that had been made by our armed forces. The older ones also considered some of the issues linked to the wars going on in different parts of the world today. The school will be laying a wreath at the annual Remembrance Service, on Sunday, at the village's war memorial in the church yard. All are welcome to attend (10.45) and I look forward to seeing many of our children there as part of the uniformed organisations that they represent.

Finally, as the days get wetter, please ensure that your child brings a coat to school. We will try to get the children out to play if there isn't heavy rain falling. However, sometimes there may be a light drizzle which doesn't necessitate a wet playtime and we ask the children to put their coats on to keep them dry. Thanks for your help on this matter.
