

Year 6 Summer Term 2025

Curriculum Newsletter

Key Texts:

- Macbeth
- Otter's Moon by Susanna Bailey

English:

In independent writing, use the full range of punctuation:

commas for clarity, inverted commas, apostrophes
for possession and contraction, parenthesis punctuation,
semi-colon, colon and dash to mark the boundary
between clauses, hyphens and bullet points.

Write effectively for a range of purposes and audiences,
selecting the appropriate language to show an
awareness of the reader. Précis longer passages

Perform their own compositions

Maths:

Measurement: volume and capacity

Consolidation projects to reinforce
previously taught topics such as:

Percentages, fractions and decimal
calculations, statistics and shape, position
and movement.

We are geographers:

To what extent is Greece different to the UK?

- World biomes
- Biomes of Greece and the UK
- Geographical features of Greece: physical and human

We are scientists:

How does light enable us to see?

- Light travels and how the human eye sees
- Light travels in straight lines
- Shadows have the same shape as the object that casts them

Study of Scientists

We are historians:

Which is the most significant legacy of the Ancient Greeks?

A study of Ancient Greek culture and comparing the legacies of democracy, language, Olympics and architecture.

After analysis of the various aspects of Greek culture, they will make an informed decision about which legacy they think is the most significant today.

We think critically in RE:

What kind of king was Jesus?

Explore connections between biblical texts and the concept of the kingdom of God. Consider different possible meanings for the biblical texts studied, show awareness of different interpretations. Make connections between belief in the kingdom of God and how Christians put their beliefs into practice. Consider the importance of love and service in the world today.

How does Faith help people when life gets hard?

PSHE/ RSE Physical health and mental wellbeing Growing and changing Keeping safe Transition to High School	We are computer scientists <u>Spreadsheets</u> Explore the use of spreadsheets in everyday life and develop skills in creating a spreadsheet. <u>Blogging</u> Create a travel blog based on links with work in geography about Greece.

We are linguists (French) Leisure time—descriptions of hobbies and sports activities Write, rehearse and perform a paragraph of information about themselves.	

Supporting learning at home.

English and maths homework will be set online using SPAG.com and maths.co.uk. The homework tasks will go live on a Monday and should be completed before Friday each week, children should also regularly check their dashboard on these sites for any extra tasks.

Reading

Children are required to read for a minimum of 20 minutes every day. This can be independently or to an adult, but all children would benefit from answering questions about their book in order to improve their comprehension. In addition, all children must record their reading on a daily basis into their planner. **Parents are required to sign planners weekly.**

Planners will be checked each Monday.

Maths

Children have access to TT Rockstars and should practise regularly to support their maths work.

Key dates

Leavers' Events

Party: Thursday 17th July

Assembly: Friday 18th July
