

Dudley School-Aged Immunisation Catch-Up Clinics 17th June and 5th July 2025

Dudley Health Protection Team Update June 2025

Vaccination UK deliver immunisations in schools and are holding catch up clinics for children and young people who missed vaccinations during the school immunisation sessions

Immunisations available:

- DTP (Diphtheria, Tetanus & Polio)
- Meningitis ACWY
- HPV

MMR is also available by appointment only (this includes primary aged children)

For further information please visit Vaccination UK:

[Vaccination UK](https://www.vaccinationuk.org/)

The clinics provide the opportunity:

- to ensure that children and young people have protection against these vaccine-preventable diseases prior to summer holiday travel
- for children and young people to catch up on missed immunisations
- to receive immunisations outside of school hours and the school setting

These are DROP-IN clinics, but appointments can be made if preferred (reminder that an appointment must be made if MMR vaccine is required)
