

## Church of the Ascension Summer Challenge 2025 Can you build a bug hotel?

Your challenge is to build a bug hotel for your own garden, or one to be donated to school or even the church!

To be successful, make your bug hotel, put it in your garden and then take a photo of it. Send the photo to Mr Bradley by email

[cbradley@chur-ascen.dudley.sch.uk](mailto:cbradley@chur-ascen.dudley.sch.uk)

and then we can all marvel at your creativity!

Alternatively, make a smaller bug hotel that we can hang in the trees around school or over at the church—we all want to attract bugs to our gardens! Bring your finished bug hotels back to school in September and we can put them around school.

This challenge is launching a new school focus designed to encourage everyone to be more ecofriendly...we hope you have lots of fun. We are looking forward to seeing your results!
