There's opportunity for you at

OSH
OLD SWINFORD HOSPITAL

Tailored Boarding

The flexibility to choose your own way

Now enrolling for Year 7 September 2027

Introducing

Tailored Boarding

The unique approach to joining the OSH community

Ofsted **'Outstanding for Boarding' 2026**

"Pupils learn together, live together and thrive"
Ofsted

Designed with busy families in mind, Tailored Boarding allows you the flexibility to fit school and your son or daughter's extra-curricular activities around your working patterns and family lifestyle, in a shared community where your child will grow in independence and confidence.

You and your child will have all the advantages of boarding at our outstanding school with the opportunity to choose when and how often they access our boarding facilities and co-curricular activities. You have the freedom to decide when and how often your child stays over, or comes and goes before and after the school day, to fit with their busy club and social schedules both in and out of school, integrated alongside your home life.

At OSH, your child will get the best of both worlds: an education at an outstanding boarding school, a home away from home with their friends, and time with family. Plus, they will have a space to call their own in the boarding house, however frequently they use it.

Tailored Boarding is available now for September 2026

Don't take our word for it, hear from our students in a new series of videos which we hope will give you a real sense of our boarding community and experience: www.youtube.com/@OldSwinfordHospital.

If you would like to discuss Tailored Boarding and how it may work for your family, please do get in touch. We would love to hear from you.

Join Us

At Old Swinford Hospital we pride ourselves on the breadth and depth of our education both within and beyond the classroom.

We aim to enable pupils to realise and exceed their potential. Our boarding teams provide a uniquely stimulating and supportive environment in which all can flourish, and grow in understanding, self-confidence and self-esteem.

Our Matrons are here to help support students in the boarding houses. They ensure the boys and girls in their care are looked after, are safe, tidy, well-fed, and are often the first person they turn to with any concerns in school. Matrons run the day-to-day of our boarding houses so that boarders feel at home away from home.

We understand how important it is for parents and guardians to build a good relationship with boarding staff. Therefore, as a starting point we invite you to 'Hear from the Housemasters' and 'Meet the Matrons' in our new videos.

"A school that exudes clarity of purpose and value for money"

Good Schools Guide 2019

Our programme of evening co-curricular activities for Tailored Boarders is rich and far reaching:

• Art Club • Darts Club • Chess • Climbing • Dance Group • Boxing • Running • Pottery • Access to the gym • D&D • Basketball • Chef's Club • Pilates • Craft Club

...and there's so much more, including an exciting suite of weekend activities and trips. All alongside a range of school academic, sporting and musical opportunities.

So why not join us and give your child the opportunity to be part of the OSH community?
