

Dear Parent / Guardian

We have come across a great new and easy way to raise funds for our school and help the environment through recycling used ink cartridges. We are working with a company called 'Empties Please'. They collect and recycle used ink and toner cartridges the environmentally friendly way and will donate the money raised back to us!

It's very simple. All we have to do is collect branded used ink cartridges and toners and put them in our recycle bin. 'Empties Please' will collect the bin when it's full and then donate money raised straight back to our school.

With every £1 raised we receive a Green Point these can then be redeemed against Green Rewards such as: Bird feeder kit, Giant outdoor connect 4 or even Adopt an endangered animal for 1 year.

You can collect ink cartridges from absolutely anywhere; school, work, home, clubs, friends and family. If you could display a bin in your workplace on behalf of our school please contact us.

If you have any used cartridges you would like to give us please send with your child to school and we will put them in the collection bin.

The more cartridges we can collect the more we can raise. The sky's the limit! Let's make it a great success. Happy collecting!

Kindest regards

HSA

Home School Association

Did you know....

-  More than 40 million Ink Jet Cartridges are dumped each year in the UK alone.
-  More than 1.1 billion Ink Jet Cartridges are used annually around the world. Laid end to end this would be 129 times as long as the Great Wall of China!
-  If you dispose of your Printer Cartridges in the bin they will take 1000 years to decompose.
-  Industry analysts estimate a spent cartridge can be reused or remanufactured up to 7 times and every cartridge remanufactured is one less item going directly to the landfill!
